About Me

I am DILAWAR, I write code, build websites and web apps, SEO expert, marketing specialist, consulting businesses, share ideas and sometimes make some bad jokes :)

Experience

MARKETOZE

2020 - Continued

- I worked as a Senior Web Developer at Marketoze, I played a key role in designing and developing professional, modern websites, and applications for clients worldwide.

MENTORSHIP BY DILAWAR

2022 - Continued

- As a Senior Web Developer, I have trained many students and made them capable of generating income by themselves without depending on anyone.

ONGOING NEW PROJECTS

2024 - Continued

- Exciting new projects are currently underway with innovation and dedication for future success. Stay tuned for updates!
